ISIC UNIVERSITY STUDENT CARD

By purchasing an ISIC Card at your university/college you currently attend, you become a holder of an **ISIC University Student Card**:

- the card is designed for all full-time university/college students
- it is a combination of **the ISIC - International Student Identity Card** and a **University Student Card**
- with the card you get all the **discounts, advantages and benefits** the ISIC licence offers
- your unique **licence number** starts with the **letter S** and is located at the bottom of the card **under the photograph**
- **The ISIC licence validity** lasts from the beginning of September of an academic year to the end of September of the next calendar year and you have it marked **at the back of the card**

- With an ISIC Prolongation Sticker  stuck at the back of your card, each year you prolong the validity of the your ISIC Card during your study and open the door to the world of discounts

EMtest – SK, s.r.o. provides you with a contact-free chip in your card, thanks to which you can use:

- **For the travel** – with ZSSK – a 50 % discount on the price of travel www.slovakrail.sk
 - with SAD – the discount rate is specified by each transport agent individually
 - within transport agents – the discount rate is specified individually by each transport company

At www.emcard.sk you will get easy-to-read information about transport agents that mutually accept the card as an electronic purse.

- **In libraries** – you can use the card in Slovak libraries, where you will get better prices for the provided services. For more specific information see the “Library Passport” at the university terminal and the websites of individual libraries.

- **In the area of reprographic services** you can use the “Nabi karta“ service from the company FaxCopy – in the chip you have an activated „Nabi karta“ application.

- **Internal applications** according to the offer of **your university**, e.g. an access, catering or attendance system. You will find everything you need at www.emcard.sk. A group Preukaz študenta (Student's Card) at Facebook.com is available to answer your questions.

ISIC 09/2012 PROLONGATION STICKER

Have you bought your ISIC 09/2012 Prolongation Sticker?

Your ISIC University Student Card is now **prolonged until 30.9.2012**, which means that, again, you can use all **discounts, advantages and benefits** ISIC is giving you.

To be able to use **discounts in travel** as well, after having attached the sticker, do not forget to **activate the chip** in the card **by placing it close to a university terminal**.

The best discounts are just waiting for you!
